

Are You Worried About Your Bottom Line?

- Are you concerned that your cows are eating too much?
Our bulls come with feed efficiency EPD's.
- Are you frustrated by bulls that break down?
Our bulls run on big range country.
- Are you disappointed by your herd fertility & longevity?
Our bulls deliver the benefits of hybrid vigor.
- Are you worried that you are not selecting for profit?
Our bulls sell with \$Profit EPD's.

If you answered yes to any of these questions, consider making your next bull, a Leachman bull!
